

**NEWS RELEASE**

**8th September 2008**

**Qualify for your place at the Avanquest Expo 2008**

**Venue: the Williams F1 Conference Centre**

Avanquest Solutions [www.avanquest-solutions.co.uk](http://www.avanquest-solutions.co.uk) will be launching a full line-up of brand new software titles at their 2008 Expo, to be held at the Williams F1 Conference Centre on 14th October. The Expo is open to Avanquest Channel Partners, both distribution and reseller. Members of the press are also invited to attend.

Find out about our new range of software, explore the Williams F1 museum - there are over 40 championship cars to discover – (not open to the general public), and test your skills as an F1 driver on the real car simulator.

Registration is at [www.avanquest-solutions.co.uk/expo](http://www.avanquest-solutions.co.uk/expo)

Presentations from the developers themselves about their exciting new products include:

- Aqua Connect - the first and only product to allow multiple Apple Desktops to run on non Apple hardware.
- Sun xVM Virtual Box – provides multiple Windows and/or Linux virtual desktops on any platform.
- Net Nanny Mac – the only Apple compatible solution to the problem of filtering out unwanted internet content.

..... Plus the latest solutions from Datawatch, Abbyy, encryptX and Fast Reports.

Chris Thompson, Managing Director, Avanquest Solutions says, "As well as refreshing our existing range we are dramatically expanding our portfolio in Virtualisation, Document Management and Business Continuity. In addition we now have new solutions in Terminal Services and Report Generation. Finally, 2008 sees a huge increase in our Apple catalogue."

From broad-line to specialist VAR - now is the ideal time to partner with Avanquest and capitalise on these exciting opportunities.

“We look forward to meeting with you and trust you’ll have a great day at the Williams F1 Conference Centre.” Chris Thompson
