### **Avanquest Solutions Sweep the Board at Captaris Awards**

Avanquest Solutions is the largest UK distributor for Captaris. They have been supplying network fax and document management solutions to the enterprise for 16 years as part of their portfolio of business process management solutions.

In recognition for outstanding achievement, Avanquest Solutions recently received 3 awards from Captaris.

- Highest Growth in Europe
- Recognition as the No.1 Alchemy Partner and No.2 RightFax partner outside the US
- International Partner of the Year

Organisations such as Barclays Bank Plc, British Airways, BP, 10 Downing Street, Transco and have saved costs and increased productivity with Avanquest Solutions using Captaris fax, workflow and document management solutions.

The awards were presented to Chris Thompson, Managing Director, Avanquest Solutions at the annual Captaris International Partner Conference, which took place in Buenos Aires in February.

As well as providing an international platform for the awards, the Conference presented the vision and product roadmaps for Captaris solutions in 2008.

Captaris RightFax enterprise fax and e-document delivery offers the performance, security and scalability needed by today's enterprise, whatever the size by delivering reliable software that simplifies processes for users. RightFax helps organisations rapidly improve efficiency and reduce costs through integrating and automating the flow of a full range of fax, paper and electronic documents and data.

Captaris Alchemy enables organisations to centralise and speed up business processes - document scanning, document imaging, document archiving, fax archiving and electronic records management - improving productivity and operating efficiency and solving regulatory compliance problems

Chris Thompson, Managing Director of Avanquest Solutions says, "LAN based or FoIP fax management plays a crucial role in today's compliance conscious information delivery infrastructure. Avanquest

continues to see growth in the demand for enterprise fax solutions, from both new and existing customers.”
