

**PRESS RELEASE**

**30<sup>th</sup> January 2008**

**END DISRUPTION TO BLACKBERRY SERVICES.**

***Avanquest solutions and neverfail show you how at the legal it show 2008.***

Partners, Avanquest Solutions and Neverfail will be exhibiting at Legal IT 2008. They will be demonstrating to Blackberry users how easy it is to ensure continuous availability to business critical applications and data.

Neverfail for BlackBerry Enterprise Server –

- Keep users connected without interruption.
- Avoid planned and unplanned downtime.
- Protect against hardware, software and networking failures.
- Delivers Disaster Recovery and Business Continuity.
- Enables failover in less than two minutes and failback with no service interruption.

For over 20 years Avanquest has delivered 6,000 enterprise solutions for fax, unified messaging, conferencing, disaster, high availability, business continuity and SMS, including over 100 legal organisations.

Don't just take our word for it.....

*"We chose Avanquest to implement Neverfail for BES as we have had a long standing and reliable relationship with them and they seemed the perfect choice to take this forward for our business." Davis Arnold Cooper*

*"Our fee earners' mobility has been greatly enhanced with the introduction of CallXpress. Unified communication is a great asset to the Practice as the users have far more options and flexibility for all message retrieval and action, by either utilising Blackberry devices, mobiles or Internet access they can handle business issues promptly and efficiently with no geographic ties." Lewis Silkin*

Darren Saunders, Business Development for Legal at Avanquest Solutions says "As part of our ongoing commitment to understanding the needs of today's law firms I feel supporting events

such as the Legal IT Show enables Avanquest to identify and provide the right solutions at the right time. Our recent partnership with Neverfail and specifically the focus on Business Continuity and DR for Blackberry Enterprise Servers demonstrates this.”
